Re: Protest of Bid
Project: 12-0N0404

Dear Mr. Defevere:

Please let this letter serve as an official protest to R.J. Nobles bid to The Department of Transportation for contract no. 12-0N0404 on April 28, 2016. R.J. Noble listed both Gwinco Construction and Coral Construction as performing 100 percent of Item 44, Furnish Sign Structure. Public Contract Code Section 4106 States in pertinent part:

"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of the work himself or herself, and that the prime contractor shall perform that portion himself or herself."

We hereby request that the State find the bid submitted by R.J. Noble to be nonresponsive and award this contract to All American Asphalt.

Please contact me with any questions or comments.

Sincerely,
ALL AMERICAN ASPHALT

Edward J. Carlson
Vice-President
